

APotential recombinant – *E. helvum* hepatovirus M32Eidhel2010

Unknown (inferred by *Tupaia* hepatovirus) (major parent) – *E. dupreanum* hepatovirus: PP766455* (minor parent)
 Unknown (inferred by *Tupaia* hepatovirus) (major parent) – *E. helvum* hepatovirus M32Eidhel2010 (recombinant)
E. dupreanum hepatovirus: PP766455* (minor parent) – *E. helvum* hepatovirus M32Eidhel2010 (recombinant)

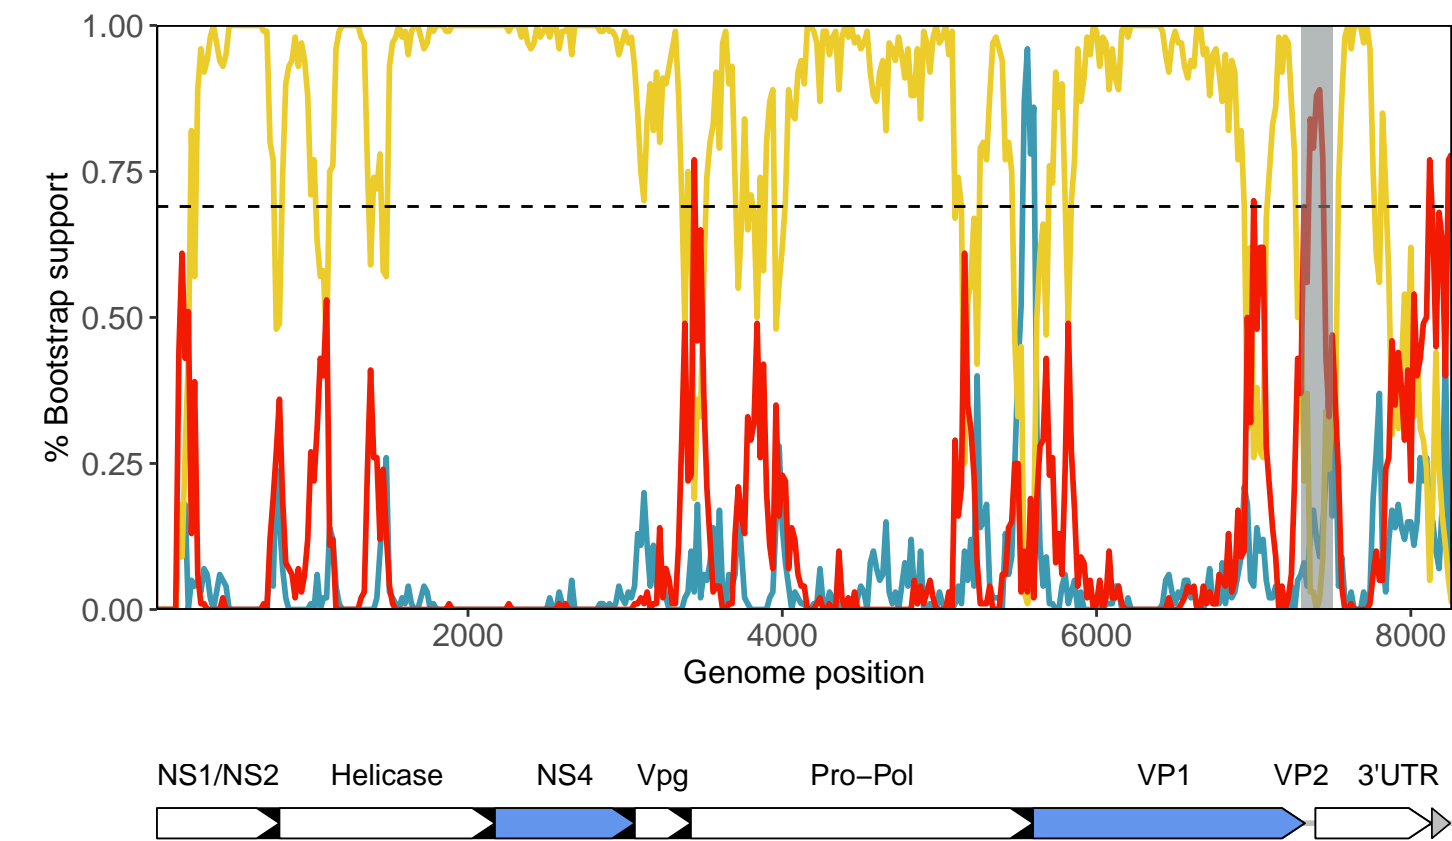

**B**Potential recombinant – *E. dupreanum* sapelovirus 2: OQ818321*

Unknown (inferred by rousettus bat picornavirus 10A/Kenya/BAT22/2015) (major parent) – Eidolon bat picornavirus 6A/Kenya/BAT606/20
 Unknown (inferred by rousettus bat picornavirus 10A/Kenya/BAT22/2015) (major parent) – *E. dupreanum* sapelovirus 2: OQ818321* (recombinant)
 Eidolon bat picornavirus 6A/Kenya/BAT606/2015 (minor parent) – *E. dupreanum* sapelovirus 2: OQ818321* (recombinant)

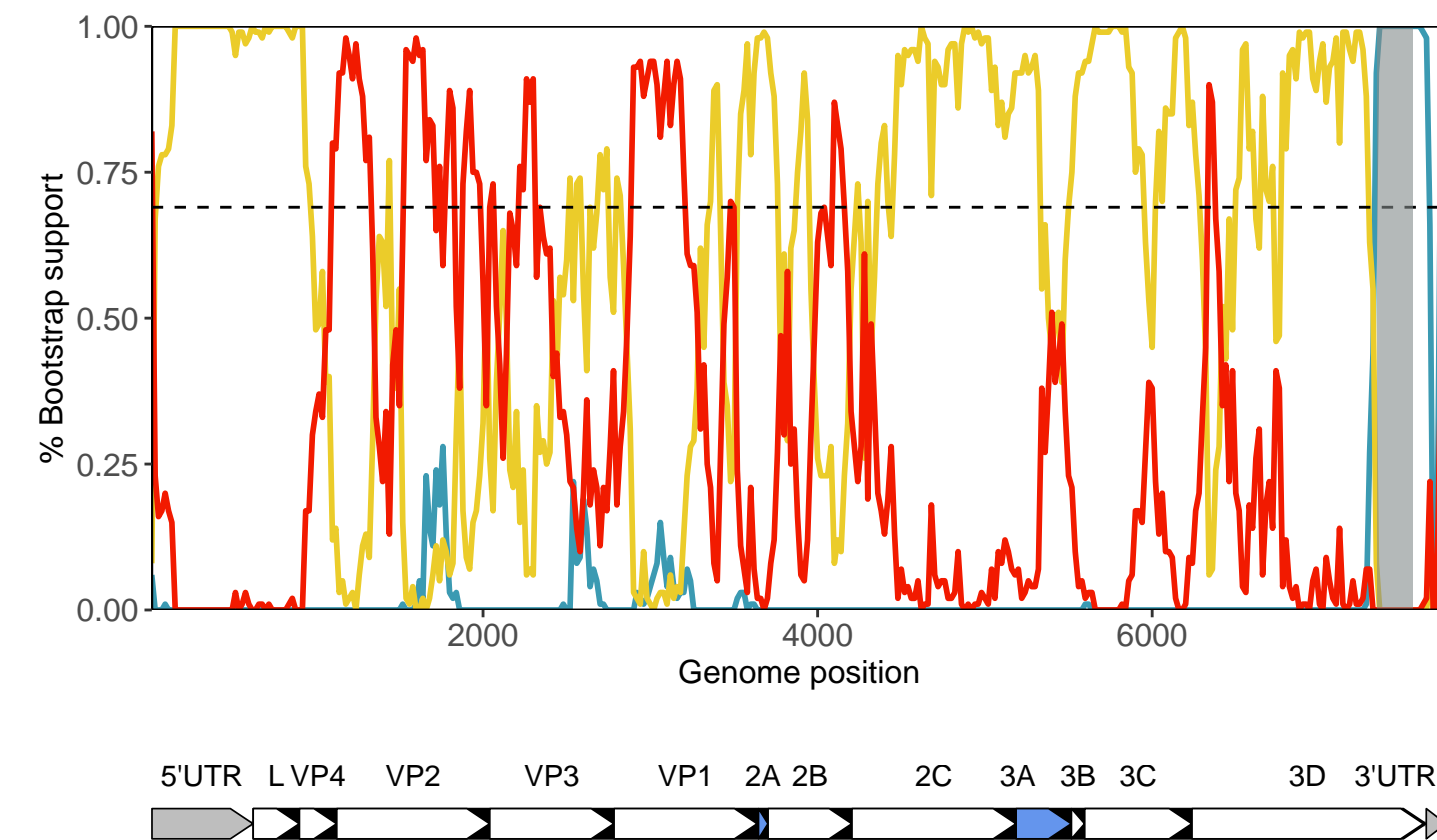

**C**

Potential recombinant – Bat sapovirus BtSY2

E. dupreanum sapovirus 1: PP766459* (major parent) – Bat sapovirus WD3 (minor parent)
E. dupreanum sapovirus 1: PP766459* (major parent) – Bat sapovirus BtSY2 (recombinant)
 Bat sapovirus WD3 (minor parent) – Bat sapovirus BtSY2 (recombinant)

**D**Potential recombinant – *R. aegypticus* African teschovirus clade

R. madagascariensis teschovirus 1: OQ818323* (major parent) – Unknown (inferred by *r. madagascariensis* teschovirus 2: OQ818324*) (minor parent)
R. madagascariensis teschovirus 1: OQ818323* (major parent) – *R. aegypticus* African teschovirus clade (recombinant)
 Unknown (inferred by *r. madagascariensis* teschovirus 2: OQ818324*) (minor parent) – *R. aegypticus* African teschovirus clade (recombinant)

**E**Potential recombinant – *R. madagascariensis* teschovirus 1: OQ818323*

R. madagascariensis teschovirus 2: OQ818324* (major parent) – *R. aegypticus* African teschovirus clade (minor parent)
R. madagascariensis teschovirus 2: OQ818324* (major parent) – *R. madagascariensis* teschovirus 1: OQ818323* (recombinant)
R. aegypticus African teschovirus clade (minor parent) – *R. madagascariensis* teschovirus 1: OQ818323* (recombinant)
